

read\_query

```
graph LR; read_query[read_query] --> scan_quote_string[scan_quote_string];
```

A flow diagram consisting of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'read\_query'. The right box is white with a dark gray border and contains the text 'scan\_quote\_string'. The blue arrow points from the right side of the first box to the left side of the second box.

scan\_quote\_string
